INSTRUCTIONS

Fancy Gold Box

MATERIALS

Box Die
Feather Die
Geometric Insert Die

YOU WILL NEED

Clear Acetate
Double Stick Tape
Metallic Cardstock
Paper Flower
Ribbon
Scissors
Tool 'n One™

1. Die-cut the Box twice out of gold metallic cardstock. Note: when cutting a box out of any double-sided paper, cut one time with the shiny side facing up, cut the second time with the shiny side facing down.
2. Use the geometric shape insert to die-cut a shape in the front of one of the box pieces.
3. Trim a piece of clear acetate to fit inside of the Box and adhere over the geometric shape.
4. Trim a notch out of the box flap of the box piece without the geometric shape.
5. Fold on crease lines and assemble box by matching the notched flap behind the geometric shape panel. (See Image)
6. Die-cut two feathers out of cardstock, then emboss.
7. Embellish the top of the Box with ribbon, the feathers and a small flower.
