Tool 'n One™

1. Trim a piece of green cardstock to fit the front of a card.
2. Create a mat of white cardstock and adhere to the green cardstock to create a card front.
3. Die-cut and emboss the label and three swirls out pale green cardstock.
4. Die-cut the center oval of the label out of white cardstock.
5. Thread white ribbon through the pale green label, wrapping around the matted card front and secure with a bow to the left of the label as shown.
6. Adhere the matted card front to the front of a white card.
7. Adhere the white oval label and the "hello" sentiment to the front of the pale green label.
8. Embellish around the bow by adhering the die-cut swirls, flowers, mushrooms and the resin bird.
